Terms of Service

VAT not included.

Rates are in Mexican Pesos (MXN).

The calculation is base don the collectable weight.

These rates will apply for waybill with MEX origin, for any prefix.

Interline transfers are exempt from charges.

In cooling service, a fee will apply for every 6 ours of stay (multiples of 0.25 of the factor).

In freezing services, the pubic rate of the service provider available shall be applied.

For fractions, charges for each event will apply.

Weight change cancellation charge will apply.

Dry ice rate is determined as refrigerant for other goods.

The rate may be changed without prior notice.

These charges must be paid by the customs agent directly at our desk at the bonded warehouse of the customs of Mexico City (MEX) upon delivery of documents.
